- Stradella, rich deep purple crimson.
- Yellow Duke, pure canary yellow.

If you want a collection of Dahlias that will make your garden the outstanding feature in your community, or if you want to start in the "Dahlia business," for the purpose of selling either cut-flowers or tubers, we know of no assortment that will meet your requirements so perfectly as this collection. And at the low price quoted for the entire assortment, we are sure you could make no better investment in this line. Twenty varieties, all of them the finest in their class, one tuber of each variety, all carefully wrapped and labelled, delivered to your address for only Ten Dollars.

ORNAMENTAL SHRUBS

The importance of shrubbery in effective landscape composition cannot be overestimated. Aside from their use as windbreaks, hedges, etc., shrubs are indispensable in adding the finishing touches to the grounds—to relieve the monotony of the general landscape, to fill in bare and uncared for corners, to create vistas by framing and accentuating attractive portions of the landscape beyond, to serve as underplanting for taller vegetation, backgrounds to perennial borders, screens for undesirable views, along walks and driveways, to soften the foundation of buildings, to emphasize the general contour of grounds—in short, to make a house a home.

The list of shrubs we offer comprises those which have been found most satisfactory from all points of view—hardiness, cultural requirements and general effectiveness for ornamental planting. Our stock is all field-grown, sturdy, vigorous, well-rooted, and guaranteed to give perfect satisfaction. All items shipped prepaid at prices quoted.

ALMOND, Double Flowering. Early blooming shrubs, bearing a profusion of small pink, rose-like flowers. 1½ to 2 ft. each ----- **50c**

ALTHEA, Rose of Sharon. Free-flowering shrub. Blooms in August and September. Double pink, red, white and purple. 1½ to 2 ft., each ----- **35c**

BARBERRY, Thunbergi. Dwarf, compact growth. Beautiful foliage. Covered with brilliant scarlet berries in winter. Valuable for ornamental use, and finest of all hedge and border plants, as it is perfectly hardy and requires no trimming. 1½ to 2 ft. specimen plants, each ----- **50c**

View of our new office and frost-proof Dahlia storage cellar. Here we have space for storing and handling a million dahlia tubers each season, together with all modern facilities for taking care of our customers' orders in a thoroughly satisfactory manner.

GENERAL INFORMATION

HOW TO ORDER

Orders may be sent by mail or placed personally at our office. Cash in full should accompany all orders. Remit by any approved method—check, post-office or express money order or registered letter. Please do not send stamps if amount is over \$1.00.

TIME OF SHIPMENT

All orders will be filled after April 20th, unless otherwise specified in order, in which case customer must assume all responsibility for damage from frost. We begin dividing clumps soon after digging and can usually supply any variety in quantity by February 1st. or later if so desired.

PACKING AND TRANSPORTATION

We pack and deliver all tubers to your address without extra charge at prices quoted in this list, and guarantee safe arrival in all cases.

GUARANTEE

All tubers are strong, healthy divisions of field-grown clumps which are tagged when in bloom and absolutely guaranteed to conform to description. We also guarantee every tuber to show sprout within three weeks from time of planting or same will be replaced free of charge upon return to us.

REFERENCE

We refer to the Wayland State Bank, Wayland, Mich., as to our responsibility.

VISITORS WELCOME

The varieties listed herein, and many others, both old and new, may be seen in all their glory of bloom at our gardens, located on the Mackinaw Trail (U. S. 131) in the village of Wayland, 21 miles south of Grand Rapids and 28 miles north of Kalamazoo, from August 1st until frost. Visitors are cordially invited and welcome at all times.

Always give full name and address when writing to us.
